FOR A BOY'S CORN CLUB.

The Plan By Mr. Quicksall and Comments by Pres. Edge of the Farmers Union.

Waco, Texas, Aug. 31, 1909.—Mr. W. L. Edge, Bryan, Texas. Dear sir: I am enclosing to you a brief statement of the history of the organization of the Boy's Corn club in Texas so far as I have been able to gather; also the plan of organization, purposes and rules governing these Corn Clubs. Of course, this plan is not perfect by any means, but may answer the purpose and be of some value to you in the continuation of your present organization.

At some time in the future when it is convenient for you I shall be glad to have a list of all the names joining the corn clubs in your county, with their postoffice address. We will be glad to have them mailed literature and bulletins from the department of Agriculture that no doubt will encourage them in the study of corn growing.

We have not arrived at a decision yet in regard to establishing the Demonstration Work in your county. Out at Edge a great many farmers and Mr. Beard expressed themselves very anxious to have the work established in that portion of the county. I doubt very much whether we will be able to locate an agent in that county this year on account of limited finance at our disposal, but of course if I can aid you in any way with your boys corn club organization I shall be glad to do so.

With kindest personal regards, I am, Very truly yours, J. L. QUICKSALL, State Agent for Central and West Tex.

To the Boys of Brazos County. In reference to Mr. Quicksall's letter will say that if you will write me and authorize me to do so I will make up a list of all the boys between the ages of 10 and 20 years and send in, and have agricultural literature sent you, and later on in November or December we can meet and you can organize a county agricultural or corn club and then you can plan your work for the future.

Now boys, my idea of the purpose of the Boys club may be summarized about as follows:

1st To give our boys a more practical education.
2nd To make farm life more attractive and farming more profitable, and thus check the flow of our young men to the cities.
3rd To dignify farming, to discuss and encourage soil study, soil improvement, better methods, cultivation, plant study and seed selection.
4th To teach the coming generation of farmers to get the best results from their labors and soil by intensive farming.

5th To get ourselves in an attitude to be able to take advantage of our schools by making them more prosperous especially our agricultural and mechanical schools.

6th To teach the keeping of a record of the work done, thus promoting good business methods among the young men and in fact to do and discuss all things that it takes to make an up-to-date farmer.

Now boys, every white boy in Brazos county is eligible to membership and I want you to write me giving your name and postoffice address plainly, so that I may send in our list as early as possible.

Now I want to say something to the old boys that have whiskers on their faces: Are you a knocker, are you in the boys way, are you discouraging the boys move? If you are for the Lord's sake and for the boys sake quit knocking and give the boy a show, and he will do something in spite of you, for he will get inspiration from the other boys.

The boy's true friend, W. L. EDGE, Bryan, Texas, R. P. D. No. 1.

NATURE'S WARNING.

Bryan People Must Recognize and Heed It.

Kidney Ills come quickly—mysteriously. But nature always warns you through the urine.

Notice the kidney secretions. See if the color is unhealthy.

If there are settlements and sediments. Passages too frequent, scanty, painful.

It's time then to use Doan's Kidney Pills.

To ward off Bright's disease or diabetes.

Doan's have done great work in Bryan.

John J. Stacey St., Bryan, Texas, says: "When seventeen years of age I strained my back and from that time until I was relieved by Doan's Kidney Pills, I suffered terribly from pains in the small of my back. I was also

bothered greatly by irregular passages of the kidney secretions. Finally I had the good fortune to hear of Doan's Kidney Pills and making up my mind to try them, I obtained a box at Emmel & Maloney's drug store. They strengthened my kidneys and relieved the pain in my back, thereby convincing me of their value."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y. Sole agents for the United States. Remember the name—Doan's—and take no other.
